

UNIVERSITY AT A GLANCE

Acharya Nagarjuna University was established in 1976 and has been constantly striving towards achieving progress and expansion during its existence for the past three decades. It was inaugurated on 11-9-1976 by the then President of India, Dr. Frakruddin Ali Ahmed. The University was named after the famous Buddhist Scholar, Philosopher Acharya Nagarjuna who was regarded as the Second Buddha. It was spread over about 300 acres of land on the National high way (NH-16) between Vijayawada and Guntur in Andhra Pradesh with the campus student strength of over 5000. The university offers UG (Professional), PG and Ph. D programmes spread over 6 campus colleges. It also offers 153 UG programs in 412 affiliated colleges. It has Centre for Distance Education offering 87 UG and PG programs. The university provides excellent infrastructure and on-campus facilities such as Central library with over one lakh books and 350 journals, Computer centre, Scientific instrumentation centre etc.

ABOUT THE COLLEGE

A.N.U College of Pharmaceutical Sciences was established in the academic year 2010-2011 with a plinth area of around 50000 sq. ft and construction cost of 7.50 crores. The college offers both B. Pharm and M. Pharm which are approved by AICTE and PCI, New Delhi. The College is providing research facilities leading to Ph.D. degree in Pharmaceutical Sciences. It is one of the renowned educational institutions with Quality education and effective teaching and learning methodologies.

Its main concern is to motivate and encourage the student community to face the challenges in the present society in order to build up their career in a greater way. The college has the state of art laboratory with sophisticated instruments such as HPLC, IR spectrophotometer, 10 – stage rotary tablet compression machine, Rota vapor, semi – auto analyzer, stability chamber, freeze dryer, refrigerated centrifuge, etc. and library with good number of books and journals, animal house as per CPCSEA guidelines & herbal garden.

PROJECTS

The college has obtained two major research projects from AICTE and UGC worth of Rs. 26,00,000/- to strengthen the research activities at the campus college. Recently our college has been selected for a grant of Rs. 60,00,000/- for the development of research facilities for PG and PhD courses by the Dept. of Science and Technology, Ministry of Science and Technology, Govt. of India under Level – I of the scheme DST-FIST 2017.

COURSES OFFERED

B.Pharmacy
M.Pharmacy : Pharmaceutical Chemistry
Pharmaceutical Analysis
Pharmaceutics
Pharmacology
Industrial Pharmacy
Ph.D : Full time & Part time

SCOPE AND OBJECTIVES OF THE SEMINAR

To discuss about the possible applications of the latest technological developments in the field, to elaborate the technical glit of the novel advancements in neighboring fields for their application in the drug development, to encourage present day researchers towards working on the latest innovations for effective drug development and to provide a platform for exchanging ideas related to the field among the participants.

SCIENTIFIC PROCEEDINGS

All the accepted scientific abstracts will be published with DOI and CrossRef indexing at International Journal of Advances in Pharmacy and Biotechnology (IJAPB) www.ijapbjournal.com. Authors can publish their full length papers with special 50% waiver of journal processing charges.

EXPECTED OUTCOMES OF THE SEMINAR

Enrichment of knowledge on various possible novel innovations that can be implemented in the drug development process, development of interest among participants on the use of novel technologies in the drug research, encouragement of researchers towards multi-disciplinary research using technical advancements of neighboring fields and generation of new ideas towards the drug development research.

ELIGIBLE PARTICIPANTS

Students, Research Scholars, Academicians and Industry Professionals from various science disciplines

SUBMISSION OF ABSTRACTS

Abstracts (not exceeding 200 words) of original scientific research work pertinent to the seminar title are invited for poster presentation (Poster size: 1 X 1.5mt) to the [email:ugcsemmttd2021@gmail.com](mailto:ugcsemmttd2021@gmail.com)

REGISTRATION FEE DETAILS

The registration fee of **Rs. 500/- for each participant** shall be paid through **Google Pay 9959129008** or as a crossed D.D drawn in favor of “**Director, MTD**”, A.N.U College of Pharmaceutical Sciences, payable at Acharya Nagarjuna University on or before **25th February 2021**.

IMPORTANT DATES

Last date for submission of abstracts :
21st February 2021
Date of intimation of acceptance of abstracts :
22nd February 2021
Last date for registration :
25th February 2021
